How it works... Design your ad on a regular 8 ½ x 11 paper. Remember you are making a black & white ad. You may add coupons, best wishes, whatever you want. BUT also remember we reserve the right NOT to run your ad if we find anything we deem unprofessional for our program. \$500 sponsors may change their ad weekly if so desired. So please, help the band grow and help our kids reach for their dreams.

All proceeds benefit the Palisades School District Band Program
